The Schools Health Insurance Fund is available to serve school districts in New Jersey. The Fund contracts with Aetna (medical), AmeriHealth (medical), Horizon OMNIA (medical), Express Scripts (pharmacy) and Delta Dental of NJ (dental).

Like all PERMA Health JIFs, each public entity appoints a Fund Commissioner to represent them. These individuals can have as little or as much involvement in shaping the Fund's overall direction as they choose. Depending on their needs, the Executive Director and Program Manager can manage every aspect of the Fund, from day-to-day functionality to vendor selection to long-range forecasting.

Our Wisdom, Your Advantage

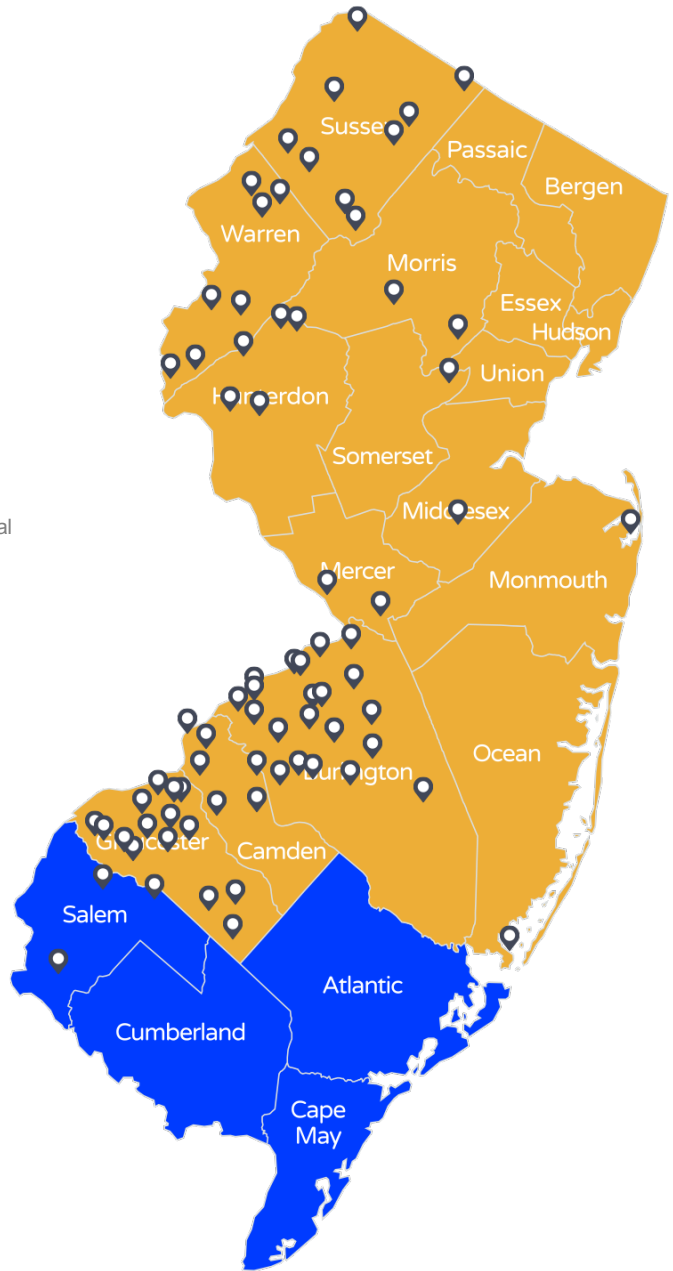

The Schools Health Insurance Fund, like all PERMA Health JIFs, has a proven track-record of fiscal responsibility. The reason is the decision-making process combines our decades of public entity expertise with your needs. Together, the result is a Fund that delivers year-after-year.
